

2018 Spring Tour – Friday, May 18

We'll be visiting Woodstock, IL

Since the VMGCC is hosting the GoF this summer, there will be an abbreviated Spring Tour this year: a one day tour with an optional overnighiter.

The plan is to rendezvous for breakfast and then caravan to Woodstock. There we will be treated to a tour of Vintage Sports Car, a noted restoration and repair shop. Then we'll go to the famous Village Square and a guided walking tour of the locations from the movie *Groundhog Day*. Lunch and/or dinner plans are still in the works.

The optional overnighiter will include a short, scenic drive to the Hampton Inn in McHenry.

Saturday morning it's back to Woodstock for their Farmers Market held on the Square. To top off the festivities there will be a behind the scenes tour of the historic Opera House. More details to follow as we get closer to the big event. Questions, comments, suggestions are welcome.
