

VMGCC Logo Merchandise from Lands' End

A wide variety of Land's End apparel and merchandise is now available with the VMGCC logo!

The entire process of getting such merchandise is done directly with Land's End without the involvement of the Club. The cost of adding our logo to apparel is \$8.95 per item.

To order apparel:

1. Go to <https://business.landsend.com/store/vintagemgchicago/> . This will take you to the page for our store.
2. Select "Men" or "Women" just below the search bar. (Note: there are minimum order quantities for the "Promotional Products")
3. Shop for and select the item you want. (Note: you need to select the color before the quantity. If you select the quantity first and want to change the color you must remove the quantity first.)
4. Click on "Apply Logo(s)."
5. Select Logo to use (we only have one at this point.)
6. Select location on garment for logo.
7. Click on "Apply Logo."
8. Click on "Add to Bag."

You may then check out and pay for your item in the normal manner. For the more adventurous you may actually change the colors on the logo. This option will appear right below your logo selection. Hats are not available with our logo. To order other Merchandise: Other items, such as tote bags, water bottles, face masks, etc. are also available with logos; just look for items in the search bar of our store page. Different fees apply and sometimes there are minimum purchase requirements.

For those of you who might want to order merchandise with the **MG Club of Chicago** logo use this internet address <https://business.landsend.com/store/mg/> instead of the VMGCC link in "1." above.
