

Wine, Cheese & Beer Tour

Sunday, October 10, 2021

Save the date!

It was a hard decision, but the infamous WCB Tour will only be a one-day event this year.

Details to follow, but plan on attending for a local drive (northeast Illinois and southeast Wisconsin) to include stops commemorating the Tour's namesakes..... that is Wine, Cheese, and Beer for the over-hibernated.

Stay tuned for additional information and RSVP specifics.
