

ALL Aboard 2! September 22

Bob and I have planned a repeat of last year's tour to the Illinois Railway Museum. This will be a fairly short drive to the museum via a number of country roads.

We'll meet at the Meijer Foods (815 S. Randall Rd. Elgin) parking lot near the Starbucks coffee house. Meeting time is 10 am with the drivers' meeting at 10:30.

Lunch will be available for purchase at the museum in their Dinner (cafeteria). They offer burgers, hot dogs, BBQ beef, and chicken sandwiches. Since the museum is a non-for-profit I suggest we buy our lunch there to help support the museum.

I expect the drive to take about an hour. Admission to the museum is \$10 per person. We will be allowed to park our vintage cars inside the museum grounds.

The museum will be open until 5 pm. So we should have lots of time to explore the exhibits and ride the trains. We hope that they will still have the steam train running this year.
