Auto Historica XIV

Sunday, September 17, 2017

12:00 - 3:00 p.m.

Free event

Back by popular demand, Auto Historica returns to the Museum! This year's event will highlight vintage British and European cars. Bring your kids, stroll around and admire some beautiful and classic cars including a 1957 DB MkIII Aston Martin, a 1966 E-type Jaguar Roadster, and a 1965 1500 Cabriolet Fiat. We would especially like to highlight cars owned by local people, so if you live in the area and have a car you would like to show, please contact the Museum. This year's car show is once again free with the support of our generous sponsor Wilmette Auto Body.

Wilmette Historical Museum

609 Ridge Road
Wilmette, IL 60091
